Dinner Table Questions

An 18-card speaking game in Haitian Creole · ages 6 to 12

Ask in Haitian Creole. Your child answers out loud. No grading.

Make the cards

1. Print pages 2 to 5 double-sided (flip on the long edge) at **Actual size**. Best on cardstock.
2. Cut along the dotted lines. Each card has a Haitian Creole question, the English for you, and answer ideas.

Play

1. Shuffle the cards and stack them with Mo facing up.
2. Take turns. Draw a card and ask the question in Haitian Creole.
3. The player answers out loud, in Haitian Creole. Any answer counts. Stuck? Read an answer idea and they say it.
4. Answered? Keep the card. When the stack is gone, count your cards together. Can your family answer all 18?

Make it just right

Ages 6 to 8
A grown-up reads the question. One word is a great answer. Clap for every try.

Ages 9 to 12
Kids read the question to someone else. Try a full sentence, then ask the grown-up the same question.
